## SILE Campus

Congratulations! We hope you will have a successful learning journey with SILE.

There are **three important actions** that you need to take when you access the SILE Campus for the first time. They are:

1. Perform a **System Check** to ensure that your computer is able to run the SILE Campus. Refer to Section A. First Time Log In.
2. **Change your temporary password.** Refer to Section B. Change Your Temporary Password.
3. Turn on the **notification alerts** to stay up-to-date with activities related to the Course/Exams through email. Refer to Section C. Notifications Setting.

## A. First Time Log In

The SILE Campus is an online learning portal to access your learning content and be informed of the latest development related to your course. To access, use this url: <https://silecampus.edu.sg>.

To ensure that your device meets the requirements to run the SILE Campus, perform a System Check by clicking on the highlighted link as shown in Figure 1.

Log in with the username and password which have been emailed to you by the course administrator. Please contact your course administrator if you have not received or have misplaced the email. Refer to Section G. Assistance.
